Thank you for your letter of March 15, 1957, transmitting to me a letter of the same date from the Federal Highway Administrator which serves as the instrument transferring to this Agency a portion of the Eureau of Public Roads property at Langley. Virginia.

It gives me a great deal of pleasure to accept jurisdiction of this property as the site for the new Central Intelligence Agency headquarters building. In accordance with the request contained in the letter from the Federal Highway Administrator, I am returning two signed copies of the acceptance clause, with Exhibits "A" and "B" which identify the boundaries of the property.

The cooperation and assistance we are receiving from the Surnam of Public Soads and other members of the Department of Commerce are most gratifying, and we look forward to our continued association.
